

This is an Executive Summary of one of the ZEBRA-LIFE project deliverables.

1. REPORTING EXTRACTS OF PROJECT DATA FROM THE LIFE KPI WEBTOOL (M9, M42)

1.1. EXECUTIVE SUMMARY

This document includes a summary of the information introduced into the LIFE KPI Web Tool for the first Snap Shot (M9). In section 2, some additional information is provided to ease the understanding of the selection of the Indicators Context. In section 3 are listed all the KPIs considered for the project, including the explanation that justify the values considered at the start/end and 5 years after the project end.
